DOUBLE ENTRY

Benefit from our powerful Double Entry accounting system, making your job easier and more manageable. The Smart Housing Accounting system provides more flexibility and features than the competition.

OWNER'S STATEMENT

Have multiple owners you report to for financial statements? We have you covered. Get an automated report for Owners of your property outlining expenses and cash flow. Reporting has never been so easy!

3RD PARTY INTEGRATIONS

Want to continue using your own Accounting Platform and don't want to switch? We have multiple integrations available for the most popular accounting systems, including **Yardi** and **Quickbooks**.
