PAPERLESS APPLICATIONS

Say goodbye to clutter on your desk and large filing cabinets. Send your Application online and residents can complete and return it quickly. Don't wait for scans or faxes ever again!

ONLINE E-SIGNATURE

Smart Applications & Leases allow prospective residents to sign their application or lease online. That means you don't need to scan or fax another form ever again!

STORE IN THE CLOUD

Smart Housing stores all your documents in The Cloud, making it easy for you to pull up a past Application or Lease quickly. No more digging through folders searching, just let The Cloud hold your files for you.
