LANDLORD POLICY

Why hassle the resident to make a claim when something is damaged? We enable the Manager/Owner to be on the policy so that you can get paid quickly and don't have to follow-up with the resident.

REVENUE SHARING MODEL

Smart Renter's Insurance pricing is competitive and could also provide additional revenue to your property as more residents sign up for the service. You help decide the pricing that fits your residents.

AFFORDABLE AND EASY

Why go back and forth with an insurance agency? Don't get scans or faxes to process insurance. We help take care of everything so the sign-up and claims are streamlined.
