BACKGROUND AND CREDIT

Smart Pages is built for Property Managers and Owners. We make it easy to update and manage your Property Website without breaking the bank.

LANDLORD INITIATED

Why wait for a resident to initiate the screening process? Our Landlord Initiated Screening product allows landlords to send applications that then flow easily into the screening.

ADDITIONAL SCREENING OPTIONS

Only order what you need and nothing more. Smart Screening allows you to decide what you want to order concerning your clients. Order State-specific records as well as upgrade per County.
